

Profile

Hi! i'm gagan and Prospectively looking to work as an UI/UX Designer and if given an opportunity, as a developer.

i am adaptable and i'm inclined towards learning.

Skills

Design Guidelines

Wireframing

Sketching

Prototyping

Visual design

User interface

Graphic design

Video Editing

C & C++

Python

Education

Bachelor of Engineering

Bapuji Institute of Engineering and Technology
(2017 - 2021)

CGPA - 7

- Mechanical engineering

12th Standard(Karnataka State Board)

Sri Taralabalu Jagadguru PU College

(2016 -2017)

% - 60

- PCBM

10th Standard(State Board)

Sri Taralabalu Jagadguru Pre-University College

(2014-2015)

% - 76

Projects

Electric Vehicle Design, Fabrication and Testing Workshop

(03/2020 - 03/2020)

Learned about different types and importance of Electric Vehicles and Designed the vehicle with its Electrical components in "scilabs" and as a team we Fabricated and successfully tested working of Electric Vehicle.

CNC Watering And Fertilizing Robot for agriculture

(12/2020 - Present)

Fabricating and developing a robot for agricultural use. Studying and Monitoring the plants growth and development in Robot Framing conditions.

Softwares that i'm familiar with For Ui/UX design

Photoshop

Illustrator

Adobe Experience Design

Adobe Premiere Pro

Adobe After Effects

Figma

Invision

Softwares that i'm familiar with For Design and Modeling

Solid edge

Solid Works

Fusion 360

Autocad

Scilabs

Autodesk 2D

Revit

Sketchup

Languages

English

Hindi

Kannda

Internship

Mathematical Modeling of Mechanical Systems

Decibels Labs

(10/2020 - 10/2020)

Studied and understood "scilabs" at a deeper level in different conditions like Electric Vehicle and temperature control in house.

Experience

Carve Startup labs

(05/2020 - 10/2020)

Carve startup labs did a program for youngsters to show interest in startup through online platform and I worked as a video editor and cover pages designer to share those in online platforms for about 5 months.

My Works

Ui / UX Designs

Front End Development

Logo & Graphics Design

Mechanical Drafting

Civil Construction Drafting
